7 January 1958

Dear Hank:

Reference is made to our conversation of 6 January 1958, concerning a special audit in Pasadena. For security reasons, it is requested that you submit as soon as possible a formal report addressed to the Contracting Officer setting forth acceptable provisional rates for a CPFF contract as the Pasadena plant. The work is to be performed in the [REDACTED] but is for another activity. It is not anticipated that you will perform the final audit of this work, but in the interim CPFF provisional rates are required for purposes of negotiation. We understand that the Navy Resident Auditor is uninformed of this area which precludes his use at this time.

Very truly yours,

Han
